Sicknell's Reporter says:

The Money Market may be said to be easy. First-rate paper is discounted with tolerable freedom by the lanks at the regular rate of interest, 6.4° cont. while out of doors the rate is from 7 to 9. The speculations in Stocks have been quite heavy for a week or two, and a large amount of funds has been thus employed and kept out of the regular channels of business. It is believed that the Secretary of the Treasury will find so difficulty a cottaining funds under the new Loan."

Wednesday, P. M.

There was not a very large business to day in
stocks, but prices were steady. Government stocks
were up in demand.

In the Bill Market there is very little doing.—
Sterling is dull at 5½-86 per cent. Francs 5 45-25-37;

The Preight Market is active, and rates are about
the same as before quoted. Three versels were taken

method to cents and mostly to arrive. A sale
of 5000 or 6000 bushels pure Genesee Wheat was male
at an advance on previous rates, something above 160
cents. Sales 1000 bushels Rye at 90 cents on the spot.
In other Grain the quotations are unsettled. Export.
from 1st to 9th February, 229,706 bushels Corn, 67,959
do Wheat, 20,668 do Rye, 18-29 do Barley.

PROVISIONS—Pork was quiet but the foreign news
will possibly give it some activity to-morrow. Some
500 bbis sold at about previous prices. A sale of 200
bbis Mess was made at 14 75, 30 days. For Bacon there
is a good demand. We notice sales of 190,000 ib dry
salt, at 2 and something over for England; 90 tes.
Hams at 8c. and 30 bbis and 30 tes Shoulders at 6-20;
cents. Sales 150 to 500 bbis Boef, 102s do Fork.

1002 kegs Lard.

BONE—Sales 8000 fb North-west at 34; cents.
